# CAROL MCLEOD | FULL BIOGRAPHY

Carol McLeod says, "I am just a girl who is head over heels in love with Jesus ... passionately addicted to His Word ... and find all of the joy that I need in time spent in presence."

Carol is a Christmas-aholic, loves ACC basketball, and burying her toes in the sand at the beach! Like all post-menopausal women, she is overly fond of chocolate and enjoys a good read. She doesn't like cleaning her house and is an expert in carry-out dinners. She hates to shop ... loves to jog ... and somehow finds time in her busy life to hang out with small children. She is the kind of woman that you could laugh with over lunch, cry with over disappointment, and shout with over a victory! Carol is a best-selling author and popular speaker at women's conferences and retreats, where she teaches the Word of God with great joy and enthusiasm. Carol encourages and empowers women with passionate and practical biblical messages mixed with her own special brand of hope and humor.

Carol is a prolific author and loves digging for treasure in the Word of God.

Carol was the first Women's Chaplain at Oral Roberts University and received the university's prestigious "Alumna of the Year" award for distinguished service to God in 2021. Currently Carol is President and CEO of Carol McLeod Ministries.

Carol has been married to her college sweetheart, Craig, for 44 years and is the mother of 5 children in heaven and 5 children on earth. Graduates of Oral Roberts University, Craig and Carol have spent the past 38 years pastoring churches across America. Currently, Craig is the North American Director for Global Partners and is training pastors and helping to plant churches in unreached areas of the globe.

They are now enjoying being "Marmee" and "Pa" to their 10 delicious grandchildren ... whom Carol refers to as "The 10 Wonders of the World!"
